

Creating housing opportunities for persons with developmental disabilities

January 28, 2019

Board of Directors

Dear **Housing Now** Supporter:

Tracy Fenyoe
President

There is a housing crisis in Sacramento and the surrounding areas. No official declaration yet. People continue to be Priced Out of the rental market. This crisis is affecting all types of people with different incomes!

Andrea Croom
Vice President

Housing Now has been busy advocating for more housing and for assistance for people who are at risk of homelessness. That includes people with I/DD who are on limited incomes and are not lucky enough to have subsidized housing.

Mark Cyr
Treasurer

Then if you need accessible housing that makes it even more difficult to locate something that is affordable and accessible and in a safe and decent neighborhood.

Racheal Frederick-Vijay
Secretary

Housing Now has been sponsoring financial education workshops with grant support from US Bank and Banner Bank! These workshops are very popular and are greatly needed.

Jennifer Allen
Director

Housing Now continues to be an affiliate of the Lanterman Housing Alliance (LHA) <http://www.LantermanHousingAlliance.org>. LHA is in the process of finalizing the Strategic Housing Framework for people with I/DD. Please take time to complete the housing survey <http://www.surveymonkey.com/r/distribute-lha-survey> .

Paul Wurst
Outreach Director
